Announcement on the Extension Period for Online Semester and Course Registration for Semester 1, October 2020

Assalamualaikum wbt. and Greetings to All,

Due to some unforeseen difficulties of online payment validation, the Centre for Graduate Studies (CGS) has decided to extend the online semester and course registration by two weeks. This extension period of **two (2)** weeks will begin from the **2nd of November 2020** until the **16th of November 2020**.

For those who have made their respective fees payments and are currently awaiting payment validation, please proceed to attend the ongoing classes according to your programme's curriculum structure arranged by your Programme Chairperson. Please be reminded to check your registration during this period through the 'Online Postgraduate Information' system (<http://opi.unimap.edu.my>). We apologize for the inconvenience caused by the late online payment validation.

Thank you.

Best Regards
