[Postgraduate Laboratory and Library Fee Charges Clarification]

Assalamualaikum wbt. dan Salam Sejahtera,  
[Assalamualaikum wbt. and Dear All,]

Pusat Pengajian Siswazah (CGS) ingin memberikan penjelasan pembayaran makmal (RM 300) dan yuran perpustakaan (RM 200) berjumlah RM 500 setiap semester yang dikenakan untuk semua pelajar pascasiswazah.

*[The Centre for Graduate Studies (CGS) would like to clarify regarding the payment of laboratory (RM 300) and library fee (RM 200) with a total amount of RM 500 per semester that has been charged to all postgraduate students.]*

Bagi yuran makmal, yuran ini adalah yuran yang dikenakan terhadap kemudahan yang disediakan oleh universiti seperti penggunaan komputer, akses internet, e-mel pelajar, kemudahan sukan serta penggunaan makmal. Bayaran yuran ini bukan terhad kepada penggunaan makmal, tetapi sebenarnya adalah jumlah keseluruhan penggunaan kemudahan fasilit-fasiliti yang dinyatakan.

*[For the laboratory fee charges, this fee is also inclusive of the facility charges that are provided by the university for example computer usage, internet access, student's email, sports facilities as well as the laboratory usage. The laboratory fee is not only charged for the laboratory usage but is actually a total sum of all these facility usage charges.]*

Bagi yuran perpustakaan ia merangkumi kemudahan fizikal yang disediakan di kampus tetap serta kemudahan perpustakaan dalam talian yang disediakan universiti melalui akses <https://login.ezproxy.unimap.edu.my/login>.

*[The library fee charges is inclusive of the physical facilities provided at the permanent campus as well as the online library utilities that the university provides through remote access at <https://login.ezproxy.unimap.edu.my/login>.]*

Mohon untuk menghubungi Pusat Pengajian Siswazah di cgs@unimap.edu.my untuk mendapatkan penjelasan lebih lanjut.

*[Please do not hesitate to contact us at cgs@unimap.edu.my if you require further clarification.]*

Sekian terima kasih.  
[Thank you.]
