GENERAL ACADEMIC INFORMATION FOR POSTGRADUATE PROGRAMME

1. Introduction

These general regulations are applicable to all postgraduate students who are registered for postgraduate programmes at doctoral degree and master's degree levels. The objective of the regulations is to provide guidelines for students in planning and pursuing their postgraduate studies at UniMAP.

2. Mission, Vision and Core Values

Mission: To produce exemplary individuals who contributes to the nation's development and industrial competitiveness agenda.

Vision: An internationally competitive technical university.

Core Values: Knowledge, Sincerity, Excellence

3. Programme Mode

Universiti Malaysia Perlis (UniMAP) offers postgraduate programmes on Full Time and Part Time basis in the following modes:

3.1. Research Mode (RM)

- 3.1.1 Doctor of Philosophy (PhD)
- 3.1.2 Doctor of Philosophy (by Publication)
- 3.1.3 Industrial Doctor of Philosophy
- 3.1.4 Master of Science (M.Sc)
- 3.1.5 M.Sc / PhD

3.2. Mixed Mode (MM)

- 3.2.1 Master of Science (Polymer Engineering)
- 3.2.2 Master of Science (Electrical Power Engineering)
- 3.2.3 Master of Science (Engineering Mathematics)
- 3.2.4 Master of Science (Embedded System Design Engineering)
- 3.2.5 Master of Science (Manufacturing Systems Engineering)
- 3.2.6 Master of Science (Microelectronic System Design Engineering)

3.3. Coursework (CW)

- 3.3.1 Master of Business Administration (Engineering Management)
- 3.3.2 Master of Science (Electrical and Electronic Engineering)

4. Delivery Mode

4.1 The postgraduate programmes are offered based on the following structures: Research Mode

Students conduct research under the supervision of academic supervisors and prepare a thesis for the complete fulfilment of the graduation requirements.

4.2 Mixed Mode

Students will have to register and pass a certain number of taught courses as partial fulfilment of the graduation requirements. In addition, they will have to prepare a dissertation for the remaining partial fulfilment of the graduation requirements. The courses and dissertation are of equal weightage.

4.3 Coursework

Students will have to register and pass a certain number of taught courses as partial fulfilment of the graduation requirements, as well as complete a research project for the remaining partial fulfilment of the graduation requirements. The course component has a higher weightage than the research project.

5. Academic Residential Requirements

5.1. Research Mode

Physically and/or virtually present at the University for the period of study.

5.2. Mixed-Mode and Course Work

Physically and/or virtually present at the University for the complete suggested credit hours in all semesters of the programme.

SENATE 102 No.3/2021

6. Duration of Study

The status of candidates as either part-time or full-time students determines the duration of their minimum, typical and maximum periods of study.

a) Research Mode (PhD and Master) Programmes

Programmes	Typical (years)	Maximum (years)
PhD (full-time) – Research Mode	3	5
PhD (part-time) – Research Mode	4	7

MBA (part-time) - Coursework	2	5

Note: For the international student, the part-time is available for expatriate candidates only.

SENATE 101 No.2/2021

7. Credit Hours & Courses Offered

7.1. By Research

Credit hours are not defined under this structure. Similarly, courses are not formally taught. However, students are required to attend some workshops which will help them in their research, such as those on writing a research proposal, paper writing, research methodology and thesis writing.

7.2. Mixed Mode and Coursework

The credit hour system adopts the concept of Student Learning Time (SLT) as guided by the Malaysian Qualifications Agency (MQA). The number of credit hours allocated is based on the delivery mode used to deliver the contents of a course/module. For every one credit hour specified, students need to spend 40 hours of learning. For a course of three credit hours, students will have to spend 120 hours, which involve both face-to-face meetings (lectures/laboratory work/tutorials etc.) and non-face-to-face activities.

Generally, the course offered (subject distribution) will be determined by the school that offers the programme. Candidates are requested to inquire for the latest information about these from the Centre for Graduate Studies or the respective Faculty that offers the programme.
